LANDINGS ST. LUCIA

Tucked away on the shores of Rodney Bay, along one of St. Lucia's and secluded beaches, The Landings Resort & Spa exudes a sense of luxury and timeless elegance ideal for a getaway this holiday season. From there, a personal butler will unpack the guest's bags so they can enjoy the resort's pristine white sand beach (a rarity on the volcanic island of St. Lucia), or book a rejuvenating massage at the spa. For those seeking thrill, The Landings can arrange a 'daycation,' filled with island-hopping to the neighboring French island of Martinique, or a trip to La Soufriere, the Caribbean's only drive-in volcano.

And because all of that excitement works up quite the appetite, the resort's personal butlers are available to stock the in-suite kitchen with groceries, or to arrange a private chef to prepare an intimate, in-suite meal. How to Book: Travel valid through January 2, 2018.
